IMPORTANT INFORMATION!

please read the entire manual before starting to assemble and/or using this product. follow the manual thoroughly and keep it for further reference.

AVOID SCRATCHES!

In order to avoid scratching this furniture should be assembled on a soft layer—could be a rug.

IMPROVE EFFICIENCY !

Try to find a partner to install with you, which can speed up the installation efficiency and shorten the time.

ANTI-TOPPLE WARNING !

Overturned furniture can cause serious or fatal crush injuries. To prevent tipping over, be sure to use the wall attachment, if not included with this product. Please purchase the wall attachment that fit your wall. If unsure, seek professional advice. Please read and follow each step of the instructions carefully.

IMPORTANT !

It is important that any product which is assembled using any kind of screw is re-tightened 2 weeks after assembly, and once every 3 months - in order to assure stability through-out the lifespan of the product.

For regular maintenance and cleaning of the product, for the frame, please use a rag dipped in neutral detergent to fully wipe it, and then dry it with a clean rag. For glass materials, wipe with a rag dampened with water glass cleaner, and then dry with a dry rag.

Please use proper tools for assembly. Using an electric screwdriver can accelerate the assembly speed, but please do not overtighten the screws.

SAFETY TIPS !

Static charge may cause dust on foam - clean with a dry or damp cloth. Small foam strands may be present — handle gently and dispose of properly. Do not burn or incinerate. Check local recycling guidelines.

LED mobile phone Bluetooth controller Product Features

- LED Bluetooth controller is directly via mobilephone control remote distance can reach 20m without the need to set up, easy to connect open the software within 5 seconds you can automatically connect the controller
 - Flow the rhythm of the music changes
 - Group control
 - Brightness, speed addition and subtraction
 - Maximum can be 10 meters RGB(W) strip
 - The software shows that the text is based on the language of the mobile phone set up automatic transformation of Chinese and English
- Animation Effect:
- Colorful gradient
 - All kinds of monochrome, double color gradient
 - All kinds of monochrome, double color, colorful flashing
 - Colorful jump
 - Follow the rhythm of the music changes
