"SAFETY TIPS:

Static charge may cause dust on foam - clean with a dry or damp cloth.
Small foam strands may be present - handle gently and dispose of properly.
Do not burn or incinerate. Check local recycling guidelines."

Important reminder:

- ⚠ Please sort and check all accessories before assembly.
- ⚠ Please place the product on empty cardboard box or carpet to avoid scratches on it,
- ⚠ Please use proper tools for assembly. Using an electric screwdriver can accelerate the assembly speed, but please do not overtighten the screws.
- ⚠ Please follow the assembly steps and do not skip any of them.
- ⚠ If possible, please find a partner to help you with assembly, which can accelerate assembly.
- ⚠ Keep all small parts of this product away from children. They may cause serious injury.
- ⚠ We hope you can retighten the screws 2 weeks after assembly, and check the tightening procedure of the screws every 3 months.

If you meet any difficulty, our friendly customer team are always ready to help you.

Warning: Overturning the product can cause serious crushing injuries. We have a wall connection device attached, please use it to hold the furniture following assembly instructions. Do not change the structure of this product in any way. Our products have been tested and meet any local specific security measures. We won't be responsible for any modifications, which may cause significant security risks.

Static charge may cause dust on foam - clean with a dry or damp cloth. Small foam strands may be present - handle gently and dispose of properly. Do not burn or incinerate. Check local recycling guidelines.

⚠ Warning: If you overturn the furniture, it may cause serious or fatal crushing injuries. We have a wall connection device attached, please use it to hold the furniture following these instructions.

1. Mark the corresponding hole positions where you want to place the furniture;
2. Use a impact drill to drill holes and pay attention to avoid wires and water pipes;
3. Knock the expansion pipes into the wall holes;
4. Place the furniture in the corresponding position and tighten the wall connection device with screws.

- a) The statement "Remove and immediately recycle or dispose of used batteries according to local regulations and keep away from children. Do NOT dispose of batteries in household trash or incinerate."
- b) The statement "Even used batteries may cause severe injury or death."
- c) The statement "Call a local poison control center for treatment information."
- d) A statement indicating the compatible battery type (CR2025).
- e) A statement indicating the nominal battery voltage (3-5V).
- f) The statement "Non-rechargeable batteries are not to be recharged."
- g) The statement "Do not force discharge, recharge, disassemble, heat above (manufacturer's specified temperature rating) or incinerate. Doing so may result in injury due to venting, leakage or explosion resulting in chemical burns."

- a) The statement "Ensure the batteries are installed correctly according to polarity (+ and -)."
- b) The statement "Do not mix old and new batteries, different brands or types of batteries, such as alkaline, carbon-zinc, or rechargeable batteries."
- c) The statement "Remove and immediately recycle or dispose of batteries from equipment not used for an extended period of time according to local regulations."
- d) The statement "Always completely secure the battery compartment, If the battery compartment does not close securely, stop using the product, remove the batteries, and keep them away from children."
